#### LITURGY/WORSHIP

Christian *LITURGY* is a pattern for *WORSHIP* used (whether recommended or prescribed) by a Christian congregation or denomination on a regular basis.

The word *LITURGY* comes from a Greek term meaning “public work or work done on behalf of the people.” *LITURGY* always referred to an organized community. A work, then, done by an individual or a group was a *LITURGY* on behalf of the larger community. There are three aspects to Christian *LITURGY*: the celebration of divine *WORSHIP*, the proclamation of the Gospel, and active charity. These three aspects also summarize the mission of Christ.

#### GOALS OF THE CLASS

\*\*\*Gain a basic understanding of the biblical foundations and history of Christian worship.

\*\*\*Explore the meaning purpose of worship and liturgy in various church contexts in our contemporary moment.

\*\*\*Experiment with the many elements of Christian worship by designing services for congregational and family use.
