

STOP REST?

Listening in.....

Getting up before sunrise. Start breakfast. Get the kids ready for school. Get ready for work. Plan for tonight after work. What shall we have for dinner? Better check the calendar. "Where's my to do list?" Got to feed the dog before I leave this morning.

Busy.....busy.....busy more listening.....

Children. Two jobs. Computer classes. Is this article AI or is it real? Got to make decisions. Paying the bills. Call them back.

Busy....busy....busy. Listening

I'd like to go to the Lenten soup supper and service tonight. But can't go because of another meeting. My neighbor needs help but don't have time to do that....

Busy...busy....busy Time to really listen.....

Jesus said, "I will give you rest." (Mt. 11:28 STOP....REST

Stop..Rest ..Jesus will give me rest. Jesus will? He said it. I got to believe it.

I better stop and listen more to Jesus.....wait a minute.....STOP AND REST

Thank you Lord. I am not alone. You Lord are with me. OK Lord, I will..... Wow.....

"My Presence will go with you and I will give you rest" (Exodus 33:14)
